14 · Boutique Operation — Lean Model (Eminence Shire Ella, 3 Rooms)

The full chart is the complete standard structure. For the 3-room boutique property the same departments exist but roles are combined into multi-skilled positions.

Department	Lean Role (combined)	HC	Notes
Leadership	Owner-Manager / Duty Manager	1-2	Covers GM + Sales + Admin decisions
Front Office	Host / Guest Service Agent	2	Check-in, reservations, WhatsApp bookings, night cover on-call
Housekeeping	Housekeeper + Laundry	2	Rooms, public areas, linen and guest laundry
Food & Beverage	Chef + Kitchen Helper	2	Breakfast, room service, cooking classes; server duties shared
Finance	Part-time Accountant	0.5	Invoicing, OTA commissions, supplier payments
Engineering	Visiting Technician	0.25	On-call for electrical / plumbing fixes
Security	Night Watchman	1	Night gate and property watch; CCTV phone alerts
Garden	Part-time Gardener	0.25	Hillside garden and terrace upkeep

≈ 10–11 staff total · staff-to-room ratio ≈ 3.5 : 1 (high-touch boutique service). As the property grows, expand back toward the full structure department by department.

15 · Governance Notes & Approval

Topic	Standard
Span of control	Each supervisor manages 4–10 direct reports; department heads report only to the General Manager.
Shift patterns	Day = 8:30–17:30 · Rotating = 3-shift 24/7 roster · Split = 6–10 & 16–20 (F&B service) · Night = 22:00–07:00 · Office = Mon–Fri.
Hiring & promotion	All vacancies via HR; internal promotion preferred. New roles need GM + Finance approval of budget.
Job codes	Department prefix + number (e.g. FO-05). Use codes in payroll, rosters and the PMS user accounts.
Review cycle	Org chart reviewed annually at budget time or immediately after any restructure.
